

# St. Michael-St. Gabriel Volunteer Guide 2018-2019

---

All St. Michael-St. Gabriel families are required to complete **10 service hours** during the academic year. Below are some opportunities by which you can complete those service hours. As a reminder, all staff and volunteers working with students or in the school building must complete the Safe and Sacred Program **BEFORE** they begin their ministry. The program can be accessed by following this link: <https://safeandsacred-archindy.org/login/index.php>. Please be sure to choose "Location 345 - St. Michael-St. Gabriel School" when you chose your volunteer location.
